# TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

**IN THE MATTER OF AN  
ENFORCEMENT ACTION  
CONCERNING  
CITY OF RICHARDSON  
RN101386696**

**§        BEFORE THE  
§  
§        TEXAS COMMISSION ON  
§  
§        ENVIRONMENTAL QUALITY**

## **AGREED ORDER DOCKET NO. 2013-1941-WQ-E**

At its \_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding the City of Richardson ("Respondent") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this agreement to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

### **I. FINDINGS OF FACT**

1. The Respondent owns and operates a public water system located at 2600 Shiloh Road with an associated water line in the 1700 block of Barclay Drive in Richardson, Dallas County, Texas (the "Site").

2. The Respondent has discharged a pollutant into or adjacent to any water in the state under TEX. WATER CODE ch. 26.
3. During an investigation conducted on August 27, 2013, TCEQ staff documented that a water main break occurred on August 26, 2013, in the 1700 block of Barclay Drive and discharged approximately 516,000 gallons of potable water into Spring Creek killing approximately 4,443 fish.
4. During an investigation conducted on August 27, 2013, TCEQ staff documented that the discharge of potable water on August 26, 2013 was not reported within 24 hours.
5. The Respondent received notice of the violations on October 4, 2013.
6. The Executive Director recognizes that the Respondent has implemented the following corrective measures at the Site:
  - a. By August 26, 2013, ceased the unauthorized discharge and repaired the water line;
  - b. By August 28, 2013, cleaned and dechlorinated the affected area, and removed and disposed of the dead fish; and
  - c. By October 9, 2013, updated operational guidance to ensure that unauthorized discharges are reported to the TCEQ within 24 hours.

## **II. CONCLUSIONS OF LAW**

1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. WATER CODE chs. 7 and 26 and the rules of the Commission.
2. As evidenced by Findings of Fact No. 3, the Respondent failed to prevent the unauthorized discharge of a pollutant into or adjacent to water in the state, in violation of TEX. WATER CODE § 26.121(a)(1).
3. As evidenced by Findings of Fact No. 4, the Respondent failed to provide timely notification to the TCEQ of an accidental discharge which causes pollution, in violation of TEX. WATER CODE § 26.039(b).
4. Pursuant to TEX. WATER CODE § 7.051, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.

5. An administrative penalty in the amount of Twelve Thousand Three Hundred Seventy-Five Dollars (\$12,375) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in TEX. WATER CODE § 7.053. The Respondent has paid the Twelve Thousand Three Hundred Seventy-Five Dollar (\$12,375) administrative penalty.

### **III. ORDERING PROVISIONS**

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed an administrative penalty in the amount of Twelve Thousand Three Hundred Seventy-Five Dollars (\$12,375) as set forth in Section II, Paragraph 5 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Richardson, Docket No. 2013-1941-WQ-E" to:

Financial Administration Division, Revenue Operations Section  
Attention: Cashier's Office, MC 214  
Texas Commission on Environmental Quality  
P.O. Box 13088

2. The provisions of this Agreed Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Site operations referenced in this Agreed Order.
3. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to the Respondent if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Agreed Order.
4. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
5. This Agreed Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.

6. This Agreed Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. I, the undersigned, have read and understand the attached Agreed Order in the matter of the City of Richardson. I am authorized to agree to the attached Agreed Order on behalf of the City of Richardson, and do agree to the specified terms and conditions. I further acknowledge that the TCEQ, in accepting payment for the penalty amount, is materially relying on such representation.

I understand that by entering into this Agreed Order, the City of Richardson waives certain procedural rights, including, but not limited to, the right to formal notice of violations addressed by this Agreed Order, notice of an evidentiary hearing, the right to an evidentiary hearing, and the right to appeal. I agree to the terms of the Agreed Order in lieu of an evidentiary hearing. This Agreed Order constitutes full and final adjudication by the Commission of the violations set forth in this Agreed Order.

I also understand that failure to comply with the Ordering Provisions, if any, in this order and/or failure to timely pay the penalty amount, may result in:

- A negative impact on compliance history;
- Greater scrutiny of any permit applications submitted;
- Referral of this case to the Attorney General's Office for contempt, injunctive relief, additional penalties, and/or attorney fees, or to a collection agency;
- Increased penalties in any future enforcement actions;
- Automatic referral to the Attorney General's Office of any future enforcement actions; and
- TCEQ seeking other relief as authorized by law.

In addition, any falsification of any compliance documents may result in criminal prosecution.
